The Perfect Family Home to Entertain

Set among a fast-growing suburb is this neat and tidy 3-bedroom home that provides low maintenance and convenient living at its finest.

The property was constructed in 1971 and has had modern upgrades throughout. The natural sunlight beams through the home, creating a warm and inviting ambience.

The single level accommodation, with just a few steps to the front and rear entries, comprises of 3 bedrooms with built in robes, a main bathroom with a shower and vanity combination, and a laundry with external access.

Further to the accommodation, the living area has good flow and separation from the dining and functional kitchen, establishing great practicality for a family.

Externally, there is an undercover entertaining area, which is an ideal space for having friends and family over while watching the children and pets play. The large rear yard is flat and fully fenced.

Offering a single garage and studio, storage certainly won't be an issue. Otherwise, this could be the perfect area to be developed into the ultimate mancave or teenager's retreat.

Additional off-street parking is also available.
