One of Inverell's most iconic and historic homes is being offered for sale! Centrally located in the Ross Hill area, walking distance to schools, the Macintyre River and the CBD. Constructed circa 1910, the home offers truly grand proportions across the 5 bedrooms, 2 bathrooms, and multiple living areas. Features high ceilings, pressed metal, polished timber, window seats, ornate fireplaces plus modern upgrades throughout. Approximately half an acre of land on two titles with original barn, rear lane access and established trees and gardens. Freshly painted with endless scope for additional structures subject to council approval- eg sheds, pool or granny flat.
