\$510,000

Located opposite parkland and just a short walk from the Traralgon CBD and the ever-popular Traralgon Railway Reserve, 42 Dunbar Road will be sure to impress the fussiest of buyers. The attention to detail in this transformation is remarkable, using handpicked precision tradespeople. The work has been done to the highest standard. On a chilly winter's afternoon with tea and scones you will be at peace in the warmth of the magnificent red brick fireplace, looking over your functional kitchen with movable island bench. Life will be easy at 42 Dunbar Road with features including split system A/C, stainless appliances, elegant vaulted timber ceilings, timber floorboards and upgraded carpets and tiles. The rear yard features a huge shed 8.6mx15.6m with epoxy flooring, toilet, vanity with its own hot water system, pot belly stove and it is fully insulated. The rear yard can also be rented out as a commercial shed rental. For your private inspections contact James Hourigan on 0418 246 671.
