Please contact Scott McPharlin from Magain Real Estate for all your property advice. Great street appeal is only the tip of the iceberg here. Inside awaits a light and bright home with fully renovated kitchen and great sized rooms. The modern country style that flows throughout is just so lovely. Beautifully and thoughtfully updated, this home is sure to appeal to first home buyers and investors alike. A stunning kitchen at the heart of the home includes a brilliant timber-topped island bench, great for meal prep, baking and for the kids to get stuck into their homework after school. Practicality abounds with an abundance of cupboards and pot drawers as well as a dishwasher. It flows through to the laundry, which could easily double as a butler's pantry. The finishes in this kitchen are just sublime. Take the time to appreciate the tapware, light fittings and cabinetry. The bedrooms are all of good size. There's a second toilet which is super handy for families, and ducted reverse cycle heating and cooling will keep you comfy all year round. Parking is a breeze with drive through access to a double garage, plus secure off-street parking for additional vehicles behind the gates. A traditional big grassy back yard is great for kids and pets. The outdoor entertaining area is a shady spot to keep an eye on them, perhaps with a glass of wine in your hand. This home is located only a few minutes' from Colonnades Shopping Centre, Noarlunga Train Station, and Noarlunga Hospital. The local access point for the Southern Expressway is minutes away for a quick commute to the CBD by car. A short drive will take you to the beautiful Christies Beach foreshore or the incredible McLaren Vale wine region. Watch the kids walk to school from the comfort of your front porch! **All floorplans, photos and text are for illustration purposes only and are not intended to be part of any contract.
