AUCTION-OWNERS HAVE MOVED-WILL BE SOLD!

Welcome to a unique opportunity with potential, set on mostly arable land on a peaceful 5 acre setting. This well built brick home is ripe for renovations, holds promise for those seeking a canvas to reimagine and revitalize...The property features a range of outbuildings, including three open bay sheds and a double lock-up garage, offering both functionality and storage solutions. While the existing dwelling requires work, the expansive acreage provides a vast and versatile backdrop for creative possibilities, whether it's cultivating a thriving garden, establishing new structures, or envisioning a transformed outdoor space. Seize the opportunity to breathe new life into this property, creating a haven that reflects your unique vision and aspirations. Embrace the challenge, and welcome a project where your imagination can shape the future of this picturesque setting.
