Parkings: 2

Area: 745 m2

Type: House

\$610,000

This 4-bedroom family home is conveniently positioned in a central location within close proximity to Stockland Shopping Centre, the CBD, and Hervey Bay hospital - which is why this area is so popular. This is a spacious home, packed with potential, providing inspiration enough to truly make it your own. The kitchen is functional and located centrally within the home, offering generous bench and cupboard space for the new homeowner. From here separate living areas emerge, both providing ample opportunities for entertaining and the full requirements of modern living. Outside there is an extended undercover patio, ideal for entertaining. Meanwhile, the property is enhanced by its positioning on a corner block, allowing access to the backyard from Marcocci Street. Features Include: - 745m² allotment - Close to all amenities - Air-conditioning in living area - Master bedroom complete with ensuite and walk-in-robe - Three additional bedrooms with built-in-robos - Generous patio area - Double garage - Backyard access A fantastic neighbourhood in such a convenient location, this property represents great value. Don't miss your chance - snap up a bargain today.
