Have you heard the saying that most people fail to see opportunity knocking because it is often disguised as work? This solid family home sits high with an 180 degree outlook to the north and east, offering beautiful breezes. The large block is suitable for a shed, caravan or boat storage or just a space to enjoy with the kids. The inground salt water pool is well positioned to entertain and the solar panels are an added bonus. The home offers 4/5 bedrooms plus study, 3 bathrooms, two large living areas and central kitchen, double lock up with extra storage. The property is looking a bit tired and would love paint and new lighting and window coverings. Owners have just replaced the carpets. In brief:

- 4 built-in bedrooms upstairs
- Main bedroom has WIR, ensuite and private balcony
- Downstairs there is a large room and bathroom to suit teenage retreat/bedsit
- Two large living areas
- Wrap around verandahs
- Central kitchen with lots of bench space and wall cupboards, walk-in-pantry and dishwasher
- Side access for boat or caravan
- Large flat area suitable for workshop/shed
- Inground salt water pool
- Views and breezes
- Quiet cul-de-sac position
