This home is completely different to any home you will see in Newman. In addition to the original 3 bedroom home is a massive extension that encompasses a large living room, an outstanding out door area which overlooks the tropical plunge pool and continues through the front of the home to provide an extra high double carport. This area compliments the rest of the home which has been fully renovated including a new kitchen and bathroom. There are a total of 3 bedrooms plus a home office, an open plan meals and kitchen area and the huge living area. Additional benefits include split cycle air conditioning throughout, side access to a rear single garage sized shed, off street parking behind secure gates for vans or additional vehicles and Keedie Road is a highly desirable street located close to the Town Centre, School, Hospital and Police Station. • Plunge pool • Split cycle air conditioning • Completely renovated home • 3 bedrooms plus home office • Outdoor living set amongst tropical garden • Double Carport plus shed This home is built for entertaining and taking advantage of the life style Newman has to offer.
