Built in 1970, this double brick and tile home is pretty much original. Could be a contender for an update/makeover. Air-cond in lounge. Enclosed patio. One car carport. 683m<sup>2</sup> block. Handy location. Estimated rent in this original state \$450 per week. All offers will be submitted to the seller at the end of the week. We expect multiple offers, so please submit your 'best and final', as they may be no opportunity to negotiate.
