Indulging the discerning family with a series of brightly-lit, oversized spaces, future owners have the pleasure of living in a highly-prized and deceptively quiet cul-de-sac just seconds from The Pines SC. Multiple zones for living, dining, and entertaining are complemented by landscaped gardens flanking a paved courtyard. The living zones embrace their low-maintenance layout, flaunting polished tiling and a reserved, understated design. Offering pathways to culinary success, a central homemaker kitchen features polished stone preparation benches, high-volume cabinetry, Bosch appliances, and a central serving island with breakfast bar. A guest bedroom on the ground floor is joined above by two bedrooms with BIR, a family bathroom, and parents' retreat with WIR & ensuite - all intersected by a central gallery. Property highlights heating & cooling in every room, a full-sized laundry, stairwell storage, floor-to-ceiling bathroom tiling, and secure parking with internal access. In a new estate set between The Pines SC & Currawong Bush Park, this wonderful location sits on the cusp of Warrandyte's bushland, and enjoys easy access to Tunstall Square SC, Templestowe Village, and leading private schools.
