This solid 3/4 bedroom home is ready for someone to come in and make it their own or improve and turnover for a profit. Sitting on a large 1020sq meter block this could even lend itself for a 2nd residence - (upon council application and approval) One of the best reasons to choose the renovation route is the opportunity to put your stamp on a property that you'll call your forever home. Put your creative hat on, because this home is just waiting for a makeover.
