Sitting proudly on a generous block of blue-chip land in a five-star location, this bright and incredibly spacious three-bedroom home is awaiting your vision. Exuding many of its original features and maintaining an era of attractive family life within the Preston Primary School and Reservoir High School zones, the interior presents a current-day picture of comfort and functionality with its restful bedrooms, large rear garden, two living areas and excellent flexibility. Spacious bedrooms are set privately at the front of the home while indoor-outdoor living is a design feature embraced by the radiant open meals/living area, which connects with the tranquil backyard perfect for an entertaining area and or undercover alfresco - perfect for large-scale gatherings! Updated stainless steel appliances add modern style and quality to the renovated kitchen; split-system heating/cooling, beautiful high ceilings, a bright family bathroom, separate laundry, large garage and extra off-street parking space are further highlights. Footsteps to the No.86 tram, an easy walk to Parklands, Preston Market, Plenty Rd and High Street cafes, Regent train station and just minutes to great schools, don't miss it!
