Spacious renovated terrace with large tranquil garden

Realise the dream of an inner-west-style terrace, with greater proportions and value, in this quaint and convenient pocket.

Chelsea House is a freestanding piece of early 1900s history, brought into the present day with a thorough refresh. With grand high ceilings, abundant light and period details over two levels, the solid home opens onto a large outdoor oasis.

Nestled amongst other character homes, footsteps from trains, a village-style shopping strip and historical Gardiner Park, the property is a short drive from inner west hotspots, and minutes from Lady Robinson's Beach.
