\$655,000

Situated within a quiet location close to everything you may need right at your front doorstep is this newly built family home. Entertain your family and friends with a large open plan living room. Highlighted by its 9ft cathedral ceilings and amazing floorboards, this room really does create the centre piece for this amazing home. Other property features include:- Four bedrooms, master with WIR and ensuite featuring double showerhead, twin vanities and all remaining bedrooms having built in robes. - An open plan kitchen featuring quality stainless steel appliances, herringbone tiled splashback, built in microwave and soft close draws.- A double car garage with internal and remote access to the property. In addition, you have heating throughout the home to provide you with comfort during winter, landscaped gardens, downlights throughout, and so much more. Positioned close to all amenities including local schools, shops, transport and the local park what's not to love about this amazing property. So don't wait and call today to arrange your very own private inspection.
