Presented to the market for the very first time, we offer you the outstanding opportunity to move into one of the most favoured streets in Alexandra Headland. Situated on the northern side of Tantula Road East, properties of this type are highly sought-after and this one will not disappoint. Sitting proudly on 607m² (approx.) of prime north facing land, this home captures breathtaking views out to Alexandra Headland and up to Mount Coolum. With the Pacific Ocean on your doorstep, buy and renovate, or when you're ready create a blank canvas and build your dream home. The property presents in very good condition and is extremely liveable. It currently offers three bedrooms with two living areas, two kitchens, a study, an enclosed balcony with ocean views overlooking the private mature rear gardens, a separate laundry and parking for two vehicles. This truly is a one off and won't be repeated. The current owners of this solid home are reluctantly selling and will listen to all offers on or before the auction. For a private viewing before you miss out, please contact Loren or Richard before it's too late. What We Love: • Solid family home • Stunning ocean views • Outstanding opportunity • Renovate or build • First class address • Northerly aspect
