All information is considered correct at the time of printing. Any interested parties should satisfy themselves in this respect. These homes are new constructions and have not previously been connected to Opticomm or NBN. Once tenanted, Opticomm will be contacted to start the connection process as there does need to be a tenant in place and they will contact you to do the installation and you can then select your preferred internet provider to discuss potential time frames for connection as there may be lengthy delays. This is a tenant responsibility. **
