From this super convenient location, you will be popping down to the iconic South Melbourne Market to buy the best of produce to then come back and entertain on this apartment's fabulous terrace measuring 32sqm. Walking is the go as well and whilst you have a car space on title, you will be saying "leave the car at home" with public transport moments away. This 2 bedroom, 2 bathroom apartment offers modern light filled living and is the ideal opportunity for a first home buyer, city "bolt-hole" buyer or astute investor. This high rental demand location is ideal for permanent or short stays. Further, this affordable opportunity features secure off-street parking and storage, full security access, air-conditioning, double-glazed windows and communal entertaining spaces. An inspection is sure to impress.
