Soaring 42nd floor views provide a stunning backdrop to any occasion, and are suitably complemented by a north-west orientation and floor-to-ceiling windows. A low-maintenance layout has a clear functional emphasis, but gives way to a clean, elegant impulse that is most dramatic in the use of square-set plaster and floor-to-ceiling bathroom tiling. Floor plan features include two-bedrooms with BIR, a central bathroom, and a free-flowing living & dining domain that combines all activities within a coherent, sun-drenched space. Set in a central city corridor within walking distance of Flinders Street Station, live along Melbourne's most celebrated street, with first-class bars, cafes, restaurants, and retail districts just moments away.
