## **Tom Price Palace**

Arguably one of the best homes in Tom Price, this lovely home has just been leased to a Blue Chip Tenant for 3 years at \$2,000.00 per week.

Recently renovated, lovely gardens, split systems throughout and a spa bath in the bathroom.

As it's been an owner-occupied house for so long, it has been kept in great condition and is a credit to the current owner.

A solid investment for the astute investor.

12% Returns don't come by too often these days, yet here it is, waiting for you to reap the benefits of investing in the Pilbara, the engine room of Australia's economy.
