Set among family homes, schools and scattered parkland, this property's low maintenance and sunlit design is the perfect fit for any purchaser. An open-concept configuration includes an integrated living and dining zone linking with a sunset courtyard. Overseeing it all is a well-appointed kitchen complete with stainless steel appliances, generous storage space and stone preparation benches. Two well-sized bedrooms with built in robes share a family bathroom, joined by a master bedroom with walk in robe and ensuite. Contemporary features include ducted heating, living room air conditioner, quality flooring, water tank, garden shed and secure parking. A short walk to leading local schools, this family-friendly pocket is steps to local sports grounds and parks. Dandenong Plaza, Dandenong Hospital and Dandenong train station are right nearby.
