Offering a complete lifestyle package in the leafy suburb of Strathfieldsaye is this 5-bedroom plus study, quality family home. The large modern home has plenty of indoor and outdoor space and is ideal for a growing family who want to make the most of the local lifestyle that Strathfieldsaye and Bendigo communities have to offer. Built with clean lines and sleek design choices, this home will impress you with its simplicity, while offering everything you need for modern living. The stunning kitchen holds a real wow-factor in the home with its gloss white cabinetry shining alongside the polished concrete flooring. Brilliantly designed with ample storage and a large island bench with breakfast bar seating. There's also a clever butler's-style walk-in pantry tucked behind the central kitchen wall, which is set up with the dishwasher, keeping everyday mess out of sight. A large open plan living and dining area connects out to the magnificent undercover alfresco area – ideal for entertainers all year round. At the front of the home, you'll find the second living room opposite the master bedroom, which features a walk-in robe and stunning ensuite with a double shower, twin basins and a freestanding bath for pure relaxation. The remaining bedrooms are accessed off a separate hallway, and impressively all have walk-in robes and are situated alongside the stylish family bathroom and study/fifth bedroom. Both bathrooms showcase stylish floor to ceiling tiles, black tapware and a floating vanity. The property also has desirable rear access through the double car garage, and in the back a large garden shed is set up with power as well as plenty of lush lawn for kids or pets to roam free. With the convenience of local shops, schools and parks in Strathfieldsaye, and only 12 minutes into the city centre of Bendigo via Tannery Lane, this is a quality family home you'll love to have as your own.
