HUGE POTENTIAL IN PARADISE

Dual living properties are often highly sought after due to the benefits they offer.

Ideal for the multi-generational family or utilise one section of the home as a rental and the other as a weekender. The home is a short walk from North Shore Shopping Village, medical centre, and local primary school. A 5 minute drive and you're on the sand dunes of Mudjimba Beach, plus it's only a 10 minute drive to Maroochydore CBD. Pacific Paradise has shown remarkable growth over recent years and is considered the business hub of the Maroochy North Shore area.

The home consists of the following –

Upstairs features -

- 3 bedrooms, main bedroom with a 2-way bathroom
- Open plan dining and lounge room area
- Ample size kitchen with large pantry
- Northerly facing balcony to catch the cool summer breeze

Downstairs features -

- Private entrance into the open plan living area
- Downstairs bathroom
- Separate kitchenette for meal preparation
- Spacious bedroom with built-in wardrobe
- Outdoor entertainment area

Be under no illusion, this property needs work but as the heading says... It has huge potential.
