43 Barker Street is a hidden gem nestled in the very sought-after Barker Street, offering an exceptional opportunity for those with a vision to complete the renovation and transform this 1930s home into something spectacular. Blessed with all the hallmarks of yesteryear, from ornate ceilings and timber fretwork to French doors and casement windows, it's just waiting for the final finishing touches. Over recent years, the home has been rewired and some replumbing, an Air Conditioner installed in the main living area, a wood-burning fireplace in the lounge room, a new hot water system, painting, and several other improvements. Property Highlights:- Location: Located in a desirable and established neighbourhood and conveniently located just 1km to the CBD- Lot Size: This spacious 766 sqm lot has ample room for potential expansion or landscaping projects. It features a double lock-up garage and rear lane access and lovely established gardens with an abundance of fruit trees, herbs and vegetable gardens. - Layout: Traditional layout with the potential for reconfiguration to suit modern living preferences.- Potential: Bring your creativity and imagination to life with this blank canvas ripe for transformation. It is ideal for first-home buyers looking to get into the market, young families, or DIY enthusiasts looking for a rewarding project with significant upside potential. It's your chance to add value and personalize this property to your heart's desire! Don't miss the chance to turn this quaint little property into your dream home. It has the potential to become the envy of the neighbourhood. Schedule an inspection today, and let your imagination run wild! Contact Dana Vasterink - 0490 870 115
