This multi-level home with stunning views of Gunnedah has been meticulously updated to provide the perfect balance of style, comfort and practicality. A true family home with five generous bedrooms all with built in wardrobes, including a master suite with ensuite downstairs, and a second master suite with ensuite upstairs. This fabulous home offers the perfect solution for those looking for a home which is versatile and rich in individuality. The upstairs is a light-filled haven with a real sense of space created by sliding doors onto spacious veranda outlooking onto elevated uninterrupted views of Gunnedah. The kitchen is renovated and features matching island bench, ample storage, electric oven and stove as well as dishwasher. A choice of living areas provides ample space for the whole family to relax and unwind either together or separately, with the second living featuring wood fire that's fluted lends itself to the master bedroom upstairs, making this space cosy and inviting in the cooler months.
