More than just a house, this is a home. Being the backdrop for so many happy memories, this much loved and cared for family home on Hospital Hill is sure to be just as much enjoyed by its next owners. The elevated block contains a 3 bedroom, 2 bathroom, 2 living area home along with a 1 ½ car lock-up garage plus carport, lovely private covered BBQ area and still retains plenty of fenced backyard space for children or pets to run wild. Very comfortable to live in, there is ducted air conditioning, gas points for heating, ceiling fans throughout, and there are solar panels and solar hot water to help reduce the bill stress. Storage is excellent, having an abundance of storage cupboards in addition to the built-in robes in each of the bedrooms. Just 2 kms or 5 mins from the main street conveniences, and less to both Primary and High Schools, the location is handy and positions the property well for owner occupation or as an investment.
