Exuding grand street presence, head inside through double doors to the spacious open plan living and dining area, comprising the entire ground floor. Enjoy grand scale entertaining as well as casual nights at home in this all-inclusive space, regardless of the weather. Wintertime will find you cozied up by the fireplace, framed by large picture windows, while warmer months will see you venture outdoors to a choice of three decked areas for alfresco dining, surrounded by a well-established garden. The premium entertainers' kitchen boasts quality stainless steel appliances, including 900mm gas cooktop, built-in oven, and dishwasher, complemented by a deep double sink, an abundance of storage throughout and a breakfast bar with feature pendant lighting, perfect for a buffet-style occasion. Built for growing, established and extended families, the lower-ground floor is an expansive rumpus room, brimming with possibilities, including a dedicated entertaining space thanks to the built-in bar, home theatre room, teenagers retreat or a kids' playroom. Complete with a convenient powder room, huge walk-in laundry, and four storage zones, all of life's necessities are well taken care of. Heading upstairs, there's no shortage of living areas, with the stairs culminating in a spacious retreat. Adjoining this space, the home's four sleep sanctuaries are all generously proportioned. Bedrooms two and three are each fitted with a walk-in robe and access to the enclosed balcony, perfect for waking up over morning coffee, while bedroom four comprises a double built-in robe. Centrally located, the sparkling family bathroom possesses a corner bath, oversized glass shower, double vanity, and sleek toilet, creating the ideal space to get ready for the day and unwind at the end of the week. With a total of two full bathrooms and two powder rooms throughout, the home ensures everyone can enjoy getting ready without rushing. Other features include a double lock-up garage with additional driveway parking, home office/study ideal for those working from home or studying, and refrigerated air conditioning and ducted heating on the ground and first floor, coupled with reverse-cycle split-system heating and cooling on the lower-ground level for year-round comfort. Ideally located, the home enjoys an absence of a rear neighbour for peace and privacy, with a walking track in its place, leading to picturesque trails through Green Gully and onto Brimbank Park.
