This home is truly a pleasure to inspect and one not to miss! Renovations on this beautiful home have recently come to completion which has lifted the overall appeal and functionality. Some of the renovations include the kitchen, flooring upstairs and downstairs including the staircase as well as lighting, painting inside and outside. With attention to detail covered, this home is ready for its new owner to just move furniture in with little fuss. The layout of this home is very well thought out and practical for a large family. Below are some of the many features included: - 4 good size bedrooms with built-in wardrobes to all bedrooms - ensuite with double sink vanity and a walk-in wardrobe to the main bedroom - main bathroom upstairs - generous size lounge room and dining room - large open family room - upstairs living area with access to the balcony - ducted air conditioning, high ceilings downstairs, solar panels, new lighting and new blinds - spacious kitchen with a dishwasher, 40mm stone benchtops and a nice view of the backyard - internal access to the double garage and the rear garage. The rear garage has plenty of room and may also be used as a workshop, storage area or potential granny flat/ in-law accommodation. - The backyard has a pergola area which is great for entertaining and still plenty of useable yard space - 2 carports which are ideal for storing extra cars or trailers - Manicured front and rear yards. All this on approx 555m² block of land. 400m (according to Google) away from Menai Central Shopping Mall. To fully appreciate the size and condition of this home I recommend you make an appointment for your inspection.
