Your search for the ultimate family home stops here! This 5-bedroom + study, 3.5-bathroom double storey delight is going to capture your heart with its flawless interiors, high quality renovations, and huge amount of parking. Cooks of all levels will be seriously impressed by the stunning kitchen boasting all the prep and storage space you'll need along with a suite of Miele appliances. The main bathroom is another crowd pleaser with its freestanding tub and frameless glass shower. Outdoors too, this home does not skip a beat with its series of verandahs, brick courtyard, and travertine-edged swimming pool all providing sublime spots to relax, entertain and have fun. You'll also love having the main bedroom with dressing room and ensuite on the ground floor along with one of the other bedrooms, study and two separate living areas. The remaining three bedrooms and ensuite are privately placed upstairs. Let your kids run free in Carramar Park just a few steps away. Kotara South Public School and St James Primary are within walking distance. For your morning caffeine fix or daily essentials, Joslin Street shops have you covered, and when it comes to retail and entertainment, both Westfield Kotara and Charlestown Square are just minutes away. Why settle for the smaller block sizes at Merewether when you can have everything your family needs on a bumper 923.2sqm block here? - Flawless double storey family home on bumper 923.2sqm NE facing block - Garage open at rear for drive-through to carport and second garage with attached studio - Stunning kitchen with gas cooktop, two wall oven plus combi/microwave, dishwasher - Two bedrooms and study on ground floor, three bedrooms on upper level - Beautifully renovated main bathroom, master ensuite, powder room, upper level ensuite - Multiple split system air-conditioners, ceiling fans, and cosy winter fire for climate control - Seamless outdoor flow to verandahs, courtyard and pool for easy entertaining/relaxation - 12mins/8km to Merewether Beach, 16mins/10km to Newcastle Interchange
