Here is an opportunity to secure one of the last remaining blocks in the popular Eastern Views Estate. Comprising 1214sqm the generously sized block backs onto a lovely reserve and walking track which meanders through the estate to the Eastwood village shopping centre for your morning coffee. Titled and ready to build on, with all services available, the block has a lovely outlook for your dream home and represents a fantastic opportunity for those wishing to build now without delay. The size and position of the block also presents the opportunity to purchase and subdivide (STCA). Vendor is motivated and will consider offers!
