Here's a single level freestanding brick & tile Duplex property that will appeal to a wide variety of Buyers. Power and water are both separate, and no firewall exists. It's vacant now and ready for new Owners to move straight into this neat low maintenance Duplex, with a huge rear pergola and side access to the roomy level back yard. The interior has received a little freshen up to give the new residents a head start. The open plan lounge/dining/kitchen is air-conditioned, and the bathroom has been renovated. The location is excellent in an established part of Morayfield known as Wimbeldon Park. Most amenities like schools, Early Learning Centre, Transport and Major Shopping Centre are handy being in an established part of the suburb. The full width pergola at the back of the house has ample room for hosting fun barbies, or just relaxing under cover when you feel like it. It also offers plenty of space to add another room for games or dry storage. The back yard can easily be fenced off behind the pergola for a dog or kids to play securely, and/or install a shed or pool no trouble. All three (3) bedrooms are built-in and bedrooms 1 & 2 offer drawers and space for luggage. Inside you'll find plenty of power points for appliances, which is hard to find in many new homes. This property is a very neat package. Be quick to move on this property, as it won't last very long.
