Part of the exclusive Montpelier Grove Estate, yet on the outskirts with amazing rural views, this brand new 4 bedroom residence has it all. High position and quiet location, the property has a super-sized main bedroom with luxury ensuite and fitted out walk in robe. All other bedrooms are spacious and have quality fitted out built in robes. Wide entry hall, large lounge room and separate open plan family & dining off the kitchen. The kitchen offers stunning stone bench tops, large stainless steel appliances and a butlers pantry. Ducted air, internal laundry, an array of storage options and the list goes on. Externally the home has an alfresco pergola, perfect for entertaining and a landscaped yard. A double garage with automatic door plus internal access into the home. The icing on the cake is a separate brand new 7 x 3.5m shed with power & water, plus the addition of a carport, perfect for someone with a caravan, trailer or requiring a home workshop space.
