Walk in and feel right at home in this lovely three-bedroom family home in a peaceful and private part of stunning Mount Macedon. On a property of approximately 16 acres, the fully double-glazed home is surrounded by beautiful bushland where rosellas, kookaburras, echidnas and other native species abound. The home is in the zone for the highly regarded Mount Macedon Primary School, and offers an easy commute to the Melbourne CBD via the Gisborne or Macedon V/Line stations. The lounge room is kept warm by a split-system air-conditioner and a wood heater, and features gorgeous views towards Mount Towrong through floor-to-ceiling picture windows. The warm and welcoming open-plan kitchen/dining area has slate floors and a new split-system air-conditioner, while large windows showcase the established garden and beautiful views beyond. The kitchen includes a four-burner cooktop, two ovens, pantry, dishwasher and double porcelain sinks. The good-sized master bedroom has fresh carpet, a walk-in robe and an ensuite bathroom with shower. The renovated second and third bedrooms feature cork floors, large wardrobes and honeycomb blinds. The main bathroom includes a shower over bath and a heated towel rail, while the laundry is set up for a front-loader washing machine and dryer, with a separate toilet. Outside, there is a double carport, a powered shed of approximately 8m x 4m plus a small garden shed. The property has tank water only (approximately 50,000 litres), which is supplied to the house via a three-stage filtration system. Hot water comes via an energy-efficient heat-pump water heater. Reliable and high-speed unlimited Starlink internet is connected and can be continued at the renter's cost. NOTE: This property is unfenced and so may not be suitable for dogs.
