An undeniably priceless opportunity awaits you here on this blissful semi-rural property just moments from beautiful bayside beaches. Set back on over one acre (approx.), with invitational wraparound verandahs and manicured gardens giving you an instant feeling of "home", country-esque interiors meet with quality construction and thought to design, resulting in a most peaceful, and enviable lifestyle. The central hub includes an open plan living, meals and kitchen area, with heightened ceilings and copious glazing amplifying natural light while filtering stunning garden views throughout the interior. High-end fixtures and fittings complement the chef's kitchen, complete with top of the range Belling freestanding oven with induction cooktop, large walk-in pantry plus additional coffee nook and integrated dishwasher. A separate lounge presents as the ideal place to retreat for relaxation, accompanied by a wood fire and seamless integration with outdoor decking and verandahs on both sides, for ease of entertaining. A luxurious master suite offers continued luxury, with dual dressing rooms, stylish ensuite bathroom and direct access onto the verandah and spectacular landscape beyond. Three further bedrooms occupy a separate wing, two with built in robes and the third with walk-in robe and ensuite, presenting as an ideal guest suite. Unique to this property is the addition of a fully self contained studio complete with a kitchenette, bathroom and wood fire. Further features include vegetable gardens, fire pit area, double lock up garage, store room, 3 bay heightened shed for caravans, boats etc., a huge workshop space, pizza oven, 60,000L rainwater tanks (approx.) and electric gates.
