Only through inspection will you truly appreciate the detailed touches that feature throughout this fantastic Metricon built residence. An absolute credit to its current owners this home exudes warmth and presents in absolutely pristine condition. Sleeping accommodation comprises 4 spacious bedrooms with the large master offering a WIR and superb double vanity, oversize shower ensuite with 3 additional bedrooms serviced by a lovely central main bathroom. A magnificent updated kitchen featuring stone bench tops, 900mm appliances, dishwasher, extra oversized fridge space and quality fixtures and fittings overlooks the dining, family, rumpus and decked outdoor entertaining area all of which provide gorgeous views of the beautiful manicured gardens. Combined all these spaces form an enormous zone providing the perfect setting for hosting those large family gatherings or alternatively the addition of a bi-fold plantation shutter will create separation between these spaces for those quieter times. Other features include a large laundry with direct access to outside, ducted heating, evaporative cooling, high ceilings, stone benches in bathrooms, contemporary flooring, solar panel system, designer lighting, double remote garage with internal access and so much more. An amazing family home offering so much awaits one lucky purchaser.
