This stunning home is sure to impress, incorporating a harmonious blend of modern and classical design. Perfectly placed only a stone's throw away from some of the region's best wineries, Lake Hume and the Murray River. The heart of the home is its large open-plan living, dining and kitchen area. Incorporating modern design, the kitchen offers a stainless cooktop, a walk-in pantry, ample storage and a large island bench that doubles as a breakfast bar. Naturally flowing off the dining area, the large L shaped alfresco is the ideal place to relax and entertain. Featuring four generously sized bedrooms, all centrally located to the main bathroom, which offers a separate shower, bath, and vanity. The master boasts a walk-in wardrobe and a large ensuite with single vanity and large double shower. Adjacent to the master, the second living area is full of natural light and is a place to relax in privacy. The yard is low-maintenance, perfect for the time-poor while having the space and layout to be a green thumb's paradise, with the room and provisions for a beautiful veggie garden. Your own chook run will help keep food scraps to a minimum, and you will have fresh eggs every day. Other notable features include a double lock-up garage with internal and external access, ducted heating and cooling and gas hot water. Homes of this quality rarely come to market, do not wait to enquire today.
