Positioned at the heart of Newtown's vibrancy, this exceptional residence blends style, space, and privacy, prioritizing easy-maintenance living. This inviting home is ready for immediate occupancy, offering a fresh and bright ambiance that resonates throughout. Perfectly poised for a lifestyle of ease, this residence is a haven where modern convenience meets classic charm. Move-in ready and exuding timeless appeal, it encapsulates the essence of Newtown living, offering both tranquillity and proximity to the vibrant pulse of the inner city with every convenience at your doorstep. From King Street's bustling amenities to Enmore Park, Metro shops, and the train station, this home provides a private retreat without sacrificing accessibility. • Rear lane access potential for off-street parking • North facing rear courtyard • One generously-sized bedroom • Large attic space, potential to renovate and add value (S.T.C.A) • A practical single-level design, accentuated by separate lounge and dining areas • Polished wood flooring adding to the charm and character • Freshly painted throughout, presenting a crisp and inviting atmosphere • Immaculately presented, tasteful updates while preserving original features
