Set to impress, this fabulous four bedroom property is the ideal blend of practical functionality and contemporary style. Located in a quiet street with no through traffic, and backing onto a nature conservation area with bushland walking tracks to explore, it's also an easy walk to playgrounds and MacKillop Catholic College. Room to move outside and spacious indoor living make this home perfect for both growing families and those who love to entertain. An intelligent layout offers both privacy and ample room for everyone. Cleverly positioned at the front of the property, two built-in bedrooms and the main bathroom make a separate sleep zone. Boasting both an ensuite and large walk-in robe the main bedroom is positioned at the rear of the home, adjacent to the fourth bedroom which could also be used as a nursery or office. Prepare tasty dishes in the designer kitchen, with feature tiled splashback, large walk-in-pantry and generous breakfast bar. Huge sliding doors offer seamless integration from indoor living to a massive verandah and stacker windows in the kitchen make it easy to pass all-important food and drinks as you host your guests for grand-scale family celebrations or casual meals with friends when the weekend rolls around. So much potential on this huge 800sqm block with the fully fenced backyard offering a blank canvas for endless design options. Currently housing a garden shed, there is so much room for more, perhaps larger shed or swimming pool for family fun. And with the benefit of vehicle side access, you'll want to bring the boat or van as well. Explore nearby bushland trails with the kids, or head to beautiful Sanctuary Lakes Park just a few minutes from home for weekend walking or cycling. Local schools and shopping are within easy reach and it's a short drive to Palmerston for major shopping options, cinemas and more. And Darwin's CBD is just 20 minutes away for your city commute. - 4 bed, 2 bath home backing onto bushland- 800m2 block, side access, room for pool, shed- Master with WIR & ensuite- Kitchen with walk-in pantry & breakfast bar- Huge sliding doors to expansive verandah- Air-con & fans throughout, solar HWS- Walk to playgrounds, MacKillop Catholic Primary- Short drive to schools, shopping & hospital Call to inspect with The JH team today
