\$515,000

That's correct, after years of being on the outer with developers disappearing and not wanting to develop or even purchase lots like these, things have taken a turn in the right direction with units, villas, apartments and all types of properties selling at a rapid rate and are heading to where its more feasible to carry out multiple unit developments again.. Tidy 3 bedroom 1 bathroom home. Timber floors & High ceilings. Original fireplace. 966m2 R40/60 Zoned lot. 5 minute walk to Midland CBD. Rear workshop with access. Double car port. Transport facilities close by. Remodelled kitchen Good opportunity to lease the property out while your designing or putting your D/A together, the property is located close to great northern highway with access to major arterial routes schools and all other major amenities in easy reach of this property.
