Sitting on a corner allotment approx. 885m², this three-bedroom, one bathroom home is the perfect starter for purchaser's getting into the market. A great entertainer with games room and large pergola will be ideal for the weekend BBQ's and get togethers. The green thumbs will enjoy the well-maintained garden with room to add their own special touch to make it their own. A good size garage and carport will protect your vehicles from the elements and being so close to everything, including only a short drive to the Murray River, schools, and golf course, makes this one convenient.
