Perched in an elevated position on 2.27ha (5.6 acres) sits this open plan 3 bedroom home, with a commanding outlook and flowing design. This low-set 3 bedroom steel framed home is perfectly positioned for privacy. The all weather bitumen driveway makes year round access a breeze, whilst the front deck takes in uninterrupted views overlooking the surrounding mountain ranges. Whilst you bask in the natural surroundings of rural living, you'll also enjoy the convenience of being located 30 minutes from Smithfield shopping centre, 45 minutes to the Cairns airport and a short drive to the Kuranda township. The open plan living and dining area is positioned centrally within the home, and flows through to the full length front veranda, and rear deck - perfect for entertaining! The kitchen also benefits from natural light and plenty of cupboard and bench space. Water is supplied from the bore via an electric pump to an elevated water storage tank, which gravity feeds to the home.
