\$740,000

This spacious cedar-clad property is tucked behind a high hedge with a large front garden, long driveway and single carport. Perfect for investors as this property has potential for development and subdivision (STCA), also great for families and 1st home buyers who are looking for a property that offers potential for updating. Step inside the home to discover a vibrant palette of bold colours combined with hardwood floorboards and wall panelling, while the warm welcome begins in an open-plan lounge which includes a wood burner and A/C unit, plus sliding doors to the garden. Next you'll find the colourful updated kitchen with breakfast bar and stainless steel appliances including dishwasher and wall, plus an adjoining dining area. A doorway leads to the separate accommodation zone with 2 good-sized bedrooms and a huge main bedroom, all with BIRs, and these are serviced by a modern bathroom with bath, separate shower and vanity, plus separate toilet. The home is completed by a laundry with storage, gas ducted heating and multiple ceiling fans. Outside offers a great space for all-weather entertaining and family fun with a large covered alfresco and patio alongside a spacious and private lawn area, plus established planting and a shed. Just minutes to local shops and cafés, this great location is within walking distance to the beach, Bayside Shopping Centre, PARC, Frankston Hospital and train station, and a short drive to schools or Karingal Hub Shopping Centre and freeway access. <https://www.obrienrealestate.com.au/office/obrien-real-estate-frankston/22161>
