One of the very few original beach homes is hitting the market in Tomakin for the very first time. A cedar panel, Vinyl clad build, all original love shack from another era is ready for its new family to take over the responsibility of having the most perfect holiday home ever! The land was bought and the home was put together after being trucked in 2 pieces, risky business back in it's day, and generations have been enjoying it's virtues since then. But alas, all good things must come to an end and the regretful sale of a well loved holiday home means you have the opportunity to own a 2 bedroom, one bathroom, double garage, holiday home a flat walk, less than 200 metres across from the beach in Tomakin. In fact, the property is ready to holiday in straight away if you're the successful bidder, as the current owners will leave it walk in walk out ready for you to go and enjoy...those funky orange and brown bar stools will probably have you swooning, but those too could be yours! Don't be the one saying, could have, should have, but didn't! Come and inspect, this was worth the wait.
