Nestled on a spacious 556sqm parcel of land, this fantastic home could be yours. It offers a rural outlook without the upkeep as well as the peace and quiet it has to offer. Just a short stroll to the local shops, a short drive to the train station or a 30 minute drive to Newcastle or 15 minutes to Maitland. Arriving at the home you will be impressed with the presentation and the neat appearance. You also have an undercover veranda enticing you to sit with your morning coffee while enjoying the warming winter sun. A driveway along the side of the home with electric gates leads you to a massive shed at the rear of the property. Entering the home, you will find three good size bedrooms all with built-in robes. The lovely timber kitchen offers plenty of bench and storage space, stainless steel oven and cooktop and a stainless steel dishwasher with an adjacent meals area. The bathroom has been completed renovated and is beautiful with a lovely big shower and timber vanity. There is huge rumpus room with split system air conditioning and timber floorboards. Making your way outside, the fully fenced backyard awaits, ideal for the pets, children or for entertaining. Solar panels and two water tanks will help keep those living costs down. This home is ready to move in to and is awaiting its next owners. It is an ideal investment or first home. Call Garry from Elders on 0414 486103
