**\$550,000**

This family home sounds like a dream! With stylish interiors, spacious living areas, and a huge block, it seems perfect for a growing family. \* 3 bedrooms with built-in robes provide ample space for everyone, with the master having an ensuite. \* A well-appointed kitchen with stainless appliances is a chef's delight, and the adjoining office area is a practical addition.\* The natural light flooding into the living area creates a warm and inviting atmosphere, and the front verandah is the perfect spot to enjoy a morning cuppa. \* Amenities like split system air conditioners and a ceiling fan, comfort is ensured throughout the year.\* The downstairs area offers even more space, whether it's for a family room, rumpus, gymnasium, with a 3rd bathroom & laundry\* The double garage with internal access is convenient, and the covered outdoor entertainment area with power and TV points is ideal for family BBQs.The property's ample space also provides plenty of options for its new owners, whether they want to add a shed, pool, or even keep a pony. Overall, it sounds like the perfect blend of style, comfort, and versatility for a family looking for their forever home.
