Situated on large 978sqm freehold corner block to the southside lies this hidden gem. Large undercover area with timber coverings to two sides with plenty of space to entertain. Security screens to all windows and doorways with external awnings to provide privacy and dependable soundness. To the side of the property the double lock up garage with power is perfect for storage or use for a potential project. Shaded covering along the front welcomes you into the home, inside boasts highset ceilings, full split cycle reverse air conditioning and fans throughout with polished timber flooring to all bedrooms and tiling to the main living areas. Kitchen has ample storage with a modern look that flows into the dining room and past the laundry to the entertainment space. Call our office for an inspection today!Property Code: 3589
