Solidly built, architecturally designed and located in a secluded cul-de-sac, this 5 bedroom home offers an abundance of entertainment and living zones. 4 large bedrooms on the upper level, all with individual balcony access, along with adjoining rumpus, this master built brick and concrete home is ideal for the growing family. Ground floor plan includes large living/dining, expansive kitchen with separate eat in dining space, along with 5th bedroom or study. An emphasis on light and openness is apparent, with extensive use of glass and balconies to draw the exterior to the internal. The oversized parent's retreat offers ensuite and his and her robes, whilst remaining bedrooms are serviced by an opulent main bathroom with spa bath, double bowl vanity and separate shower. A level, open rear yard, bathed in natural light flows from the expansive living zones, making for child friendly entertaining. The grand circular driveway leads to a double garage with drive through access to hardstand, ideal for boaties or tradies. Underfloor cellar provides for additional storage options. Air-conditioned throughout, along with rooftop solar panels.
