Located right in the heart of Cranbourne in a quiet neighbourhood surrounded by other traditional sized blocks, just like this one, is this quaint 3 bedroom family home set on an approx. 649m² of land. Being only a short walk to local schools, parks, shopping centre and train station, this property would well suit a young family, someone wanting to downsize, or even an investor given the potential of being subdivided into 2 lots. (STCA) The property has a traditional 3 bedroom, 1 bathroom family home that is sitting amongst manicured gardens and boasts a huge backyard that also offers a bungalow with bathroom and kitchenette. The current owner of this central classic has enjoyed living here for decades, and now is the time to pass the reigns onto the new lucky owner of this beautiful home.
