\$279,000

This property is well located in the popular area of Townsend Street. Ideally positioned with a rural outlook and elevated views of Nhill Swamp Wetland Reserve this home will be popular with buyers who love the outdoors. Featuring 3 bedrooms with the master having BIR's plus split system. The third bedroom also has a split system. The lounge room is the entry point for the home and has polished floorboards and a split system. The kitchen and dining is at the heart of the home and has fantastic storage plus gas cooktop, electric wall oven, dishwasher and large split system. The tiled family bathroom is bright and modern with a crisp white colour palette and has a large shower and vanity. Separate laundry and toilet complete the interior of the home. Stepping outside onto your magnificent elevated rear entertaining deck with panoramic views that will simply take your breath away. This property also has fantastic shedding with 2 vehicle shed and workshop with mezzanine floor, carport, 2 garden sheds and other sundry shedding. The block size is approximately 995m² and also has side lane access.
