This fantastic size 1,393m²* allotment with huge 30m* frontage is flat and practically completely cleared making it ready to start planning right away as you look to build your dream home or perhaps investment property to capitalise on the ongoing extreme shortage of rental properties available in the area. Act fast to secure your future. The property has mains water meter connected and power passing while it is fenced on three sides with colorbond on one and cyclone fencing on the back and other side. Yorketown is a lovely country community with an array of facilities including supermarket, hotel, bakery, service station, sports store, hospital, dentist, wide variety of sporting facilities and much more.
