Superbly positioned in the heart of Berwick, this contemporary residence is architecturally striking, exceptionally finished, and carefully designed for easy living! Inside, you'll find two distinct living areas, offering a variety of spaces for different purposes. There's a formal lounge for more private and intimate gatherings, while the open plan kitchen, dining, and family room providing a more interconnected space for everyday living. With four bedrooms and a flexible room that could serve as a home-based office, this home spans two levels designed with a unique architectural approach. The layout employs opposing axes, which adds to its distinctive and strong character. Stepping outside, you can enjoy summer gatherings with friends and family under the covered alfresco and decking, low maintenance lawn area and the most beautiful and private setting! Practical features of this residence include, engineered timber flooring, quality window furnishings, and a stylish kitchen, boasting quality appliances, stone benches, and plenty of storage, security cameras and a double remote garage for your convenience – with additional parking to the front (perfect for visitors/guests or additional vehicles). All These elements come together to create a home that is not only visually appealing but also incredibly functional. Situated just 500 meters from the Village, offering easy access to all the amenities, shops, and restaurants Berwick has to offer. This makes it the perfect choice for those who wish to enjoy the benefits of in-town living without the burden of extensive maintenance.
